

Application requirements

Description

Documents to be submitted by applicants:

- a) CV including the applicant's previous achievements in the field of motion pictures (completed films or other motion picture products, festival invitations and awards, scholarships, workshops, other activities in the field such as organization of a festival, a film club etc.).
- b) The link to a motion picture product created by the applicant earlier (length: max. 3-4 minutes) – the work should be uploaded on some internet platform and made accessible for the entrance exam committee
- c) The synopsis of a future film project which contains the film's theme, genre, length, and the planned form or platform of release
- d) Statement of authorship declaring that the submitted work is the work of the applicant and describing in which creative field the applicant contributed to the realisation of the work (e.g. directing, scriptwriting, cinematography, etc.)
